Welcome to

THE DUCKS BAR & RESTAURANT

Formerly known as Strathlyn Wine Centre, est. 1994, The Ducks Bar & Restaurant is owned & operated by Mark & Ruth De Bont, who also reside here, among the vineyard. Mark is a passionate & dedicated internationally trained chef who expresses that passion through his love of food. Ruth is our loveable Front of House professional & business woman, who takes pride in keeping everything running smoothly in our restaurant. The pair make for a dynamic duo, who, along with a small but equally as passionate team, will make your wedding all you dreamed of and more.

Situated among a working vineyard, with uninterrupted views of the Tamar River/kanamaluka; the contour of the land & river provides the ideal backdrop for your perfect day. Whatever the season, the vineyard, river and venue always reflects the beauty of its surroundings.

Upon driving up our driveway, lined with old English Oak Trees, the vineyard spills out on either side. At the top, you will find our front deck, overlooking the vines and river.

Down the stone pathway and under the Wisteria, is where you'll find our restaurant.

Our welcoming & rustic foyer will bring you into our beautiful & light filled elegant rustic dining space; overlooking our lower deck and through to 180 degree views of the vineyard & river.

Our surrounding grounds are yours to explore, however we have a strict no entry in the vines policy. We have a range of outdoor games available to use on our luscious lawn.

Your perfect day starts here...

The WINE

Situated among a working vineyard, in the heart of the Tamar Valley, we collaborate with many local wineries to offer a wide range of premium wines.

Here at The Ducks Bar and Restaurant, we pride ourselves in the relationships we have developed with local vineyards and winemakers; and enjoy being able to promote their products. Our wine list is ever growing and changing, with the seasons and availability of local wines. We boast many selections from vineyards such as; Swinging Gate Wines, Moores Hill Estate, Pooley Wines and Highclare Estate.

Wine not your thing? That's okay, we also proudly stock Tasmanian made beers, cider and ginger beer with a range of spirits and soft drinks available as well.

We know everyone has different tastes and budget, so we prefer to tailor make a bar selection to suit your personal needs for your special day.

Our FOOD

Mark is our phenomenal head chef, who loves nothing more than making delicious food and presenting it with flair.

Much like our drink selections, the sky is the limit in terms of what food we can offer. We'd love to compile and curate a menu so personal to you for your special day, that your guests walk away thinking "that meal was so them".

We cater to all dietary requirements and needs, offering an endless selection of canapes (pictured below) to choose from. As well as alternate drop menus, delectable desserts and buffet menus.
